This creepy-cool tablet stand will make you shriek—with delight!

Even arachnophobes will marvel at the spooky genius behind this leggy masterpiece from UK-based Breffo. Simply wrap the Spiderpodium's eight bendy, rubber-coated limbs any which way you choose around your tablet of choice for fuss-free videoconferencing. Or flatten it out and tuck it into your carry-on for aiding in

effortless in-flight movie viewing. (There's a pint-sized version for smartphones.) To be sure, this is one creepy crawler—also available in black—you will definitely want hanging around. \$34.99, [breffo.com](http://breffo.com)
