The Week in iPhone Cases: Cellular pendant

Marco Tabini @mtabini Nov 22, 2013 6:00 AM

Evutec

The **Wood S** (iPhone 5 and 5s; \$40) combines tradition and technology in a shell made from multiple layers of real wood veneer. That shell is infused with kevlar fiber and protected by a tough, durable finish.

The case comes in light or dark wood variants.
