iNotebook wirelessly transmits handwritten notes, drawings, and sketches to your iPad so that all of your ideas are easily captured and shared. Thanks to a Bluetooth-enabled sensor and premium pen, everything you put on paper is saved and instantly transferred to your iPad. Plus, everything you create is intuitively organized and searchable.

2. Karbon S Series for iPhone 5/5s (Gray and Black): Retail Price \$39.95

Evutec is the first company to produce protective cases that contain DuPont Kevlar fibers. With five times the strength of steel on an equal weight basis, this composite material is extremely lightweight and remarkably strong, while allowing clear cellular signal to pass through. Made in the spirit of innovation with state-of-the-art materials and craftsmanship, Evutec offers its Karbon and Wood Series Cases for iPhone 5/5s, iPad, and iPad Mini to discerning Apple customers that demand the highest quality device protection in the thinnest profile. Now available at Apple.com and Apple Retail stores.
