Evutec launches new mobile, tablet cases

BY DENNIS SELLERS ON NOVEMBER 25, 2013 IN NEWS

Evutec, a manufacturer of mobile phone and tablet cases, has launched a selection of products for Apple Store retail consumers. Exclusive versions of Evutec's Karbon S, SP and Wood Series are now on the shelves.

According to Brian Hall, general manager for Evutec (www.evutec.com), all cases offer "high style concept with trend setting original designs." They use special composite materials such as Dupont Kevlar, and Wood to provide improved protection against damage.

Various models are compatible with iPhone 5/5S, iPad, and iPad mini. Karbon S, SP and Wood S Series cases available now at the Apple Retail Stores and www.apple.com. The manufacturer's suggested retail price is

US\$39.95.
