TechwareLabs CES 2013 Coverage: Evutec

TechwareLabs brings you coverage from the CES show floor and this time we take a look at Evutec. A manufacturer doing some pretty interesting things with multiple materials and natural materials to bring you attractive and useful cases for your products. Ben takes us for an in depth look at some Evutec products that bring excellent craftsmanship and beauty along with [affordability](#) for your CE devices. If you want to stand out from the crowd you should watch our video.
